POWER WASHING COMMUNITY HALL ALUMINUM SIDING

Many thanks to a few volunteers who spent Sunday morning of the May 24th long weekend scrubbing and power washing the aluminum siding and washing the windows of the community hall. Many years of moss growth and dirt were washed away. A big improvement!

TOWN OF MONO – HERITAGE DESIGNATION

On May 14th, the Town of Mono Council formally designated both the Hockley Community Hall and Hockley Church as Heritage Properties in the Town of Mono. Designation formally recognizes the importance of a property to the local community and prevents demolition in the future. Thank you to the Town of Mono Heritage Committee for their interest and work in providing the report to council. We plan to have a community gathering in the fall to unveil the plaques. Stay tuned.....

COMMUNITY HALL GARDEN

Thank you to Lena Earley for transforming the garden in front of the community hall from a bit of a mess to a gorgeous perennial garden over the course of the past several years. It certainly adds to the beauty of the hall and the village and is enjoyed by many as they walk and drive by. Lena has stepped down as community hall gardener. Tracy O'Donnel has graciously volunteered her time to continue looking after our garden. Thank you, Tracy!

CALLING ALL VOLUNTEERS

Our buildings would not be able to continue as gathering places in our community without the help of our volunteers. Please consider getting involved, whether it's volunteering at one of our functions, helping to organize a fundraiser, maintenance, gardening or whatever your skills and talents can bring. Any time you can spare would be greatly appreciated. Please email info@hockleyvillage.com or call Janice Mason at (905) 691-2361.

COMMUNITY HALL & CHURCH RENTALS

Please spread the word that our community hall and church are available to rent. Both are great spaces for bridal/baby showers, small weddings, family gatherings and dinners, birthday parties, memorials,

baptisms etc. Renters always compliment us that our buildings are unique and have character. Plus our very well equipped kitchen facilities with a commercial dishwasher are second to none! Visit our website www.hockleyvillage.com for further details.
